1. Discuss setting of dietary reference DRVs (handbook) and food based dietary guidelines (FBDGs)

The NNR Committee discussed the methodology for setting dietary reference values (DRVs) and food based dietary guidelines (FBDGs). The methodologies and principles will be published in a scientific journal. The NNR Committee are currently working on setting the DRVs and FBDGs.

2. Format of Summary report.

The NNR Committee discussed the outline and format of the NNR summary report that will include the science advice for all nutrients and food groups. The suggested science advice for nutrients and food groups will be announced for public consultation.
