1. Discuss food group two-pagers (fruit juice to red meat) in the NNR2023 report

The NNR Committee discussed food group two-pagers (fruit juice to red meat) in the NNR2023 report that is now announced for public consultation. Minor adjustments were made based on discussions in the group in addition to editing types etc. The final adjustments of the text will be performed when the public consultation period has ended.

2. Public consultation comments to the NNR2023 report

The NNR2023 report is announced for public consultation. The consultation is open until May 26. The NNR Committee will handle comments continuously as they are received, and new comments will be discussed, considered, and answered weekly at Committee meetings. Adjustments in the NNR2023 report will be made according to comments when considered scientific valid and relevant by the NNR2023 Committee.
